Initiative Provides 21st Century Tools for All Students

West Jasper Elementary Students were 2014 State Winners at the Alabama State Technology Conference.

Maddox Middle School's Pre-Algebra Team Ranked 3rd at Hayden Math Tournament. (2014)

Walker High School's 30+ ACT

Club Over 20 students had ACT scores 30 or above which placed them in the top 5% of all students who took the ACT nationally (2014).

Hands-On Study Leads to Real-Life Learning

Memorial Park Elementary fourth grade students completed an AMTSI Animal Study Unit focused on the habitat

and lifecycle of the African Dwarf Frog. Students cared for the amphibians and then released them into the pond at the Natatorium.

West Jasper School students apply all areas of the curriculum as they plant and harvest produce in the school's raised bed garden area.

T.R. Simmons School students dissected a squid in REACH science classes.

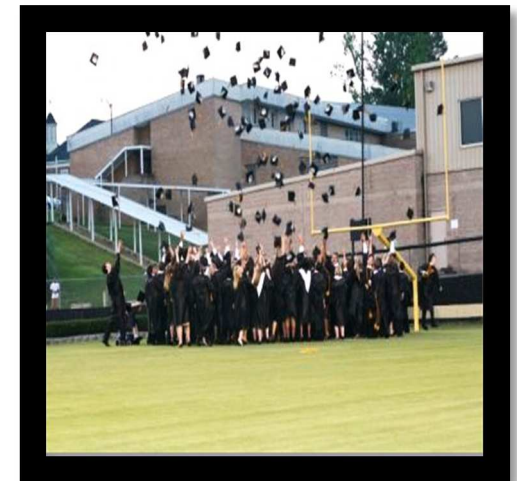

Maddox Middle School students created and launched rockets.

Walker High School students calculate chemical measurements in labs.

Congratulations to Jonathan Sargent on being named one of the 20 finalists for Wendy's High School Heisman Award program. This competition is a very rigorous program and is a great achievement, awarded to only the top students in the nation.

Walker High School seniors were awarded over three million dollars in scholarships for the last three years!

Walker's 4-year cohort graduation rate for 2011-14 was 94%.
