**Power Standards\***

\*The standards that are essential for student grade-level success. They represent those standards teachers will spend the most time emphasizing.

1.

Compare influences of ancient Greece, the Roman Republic, the Judeo-Christian tradition, the Magna Carta, federalism, the Mayflower Compact, the English Bill of Rights, the House of Burgesses, and the Petition of Rights on the government of the United States.

2. Explain essential characteristics of the political system of the United States including the organization and function of political parties and the process of selecting political leaders.

- Describing the influence of John Locke, Thomas Hobbes, Jean-Jacques Rousseau, Thomas Paine, Niccolò Machiavelli, Charles de Montesquieu, and François-Marie Arouet (Voltaire) on the political system of the United States

3.

Compare the government of the United States with other governmental systems, including monarchy, limited monarchy, oligarchy, dictatorship, theocracy, and pure democracy.

4.

Describe structures of state and local governments in the United States, including major Alabama offices and officeholders.

- Describing how local and state governments are funded

5.

Compare duties and functions of members of the legislative, executive, and judicial branches of Alabama's local and state governments and of the national government.

- Locating political and geographic districts of the legislative, executive, and judicial branches of Alabama's local and state governments and of the national government

- Describing the organization and jurisdiction of courts at the local, state, and national levels within the judicial system of the United States

- Explaining concepts of separation of powers and checks and balances among the three branches of state and national governments
