Mission Statement

The mission statement of Jasper City Schools is to inspire students to achieve academic excellence and make positive contributions to our interconnected community and world.

EQUAL EMPLOYMENT OPPORTUNITY POLICY

The Jasper City Board of Education is committed to the principles of non-discrimination and equal employment opportunity in all of its employment policies and practices, including recruitment, hiring, training, compensation, benefits, transfers, promotions, training and educational opportunities, terminations, recreational programs, and all other terms and conditions of employment. The Jasper City Board of Education will make every effort to ensure that all of its employment policies and practices are administered without discrimination on the basis of race, color, national origin, ancestry, citizenship status, sex, sexual orientation, transgender expression or identity, pregnancy, marital status, parental status, religion, age, disability, past or present service in the uniformed services of the United States, genetic makeup, or any other legally protected basis.

The Jasper City Board of Education will take all necessary steps to ensure that all employees and applicants are not subjected to harassment, intimidation, threats, coercion, or discrimination because the individual has (a) filed a complaint, (b) participated, furnished information, or assisted in any manner in an investigation, compliance review, hearing, or other activity related to the administration of federal and state anti-discrimination mandates, (c) opposed any act or practice that is in violation of any federal, state or local equal opportunity laws, or (d) exercised any other right protected by federal, state or local equal opportunity laws.

If you believe that you have been subjected to any form of discrimination in any condition of employment based upon your membership in a protected class, or your association with a member of a protected class, you should promptly report the perceived discrimination to your supervisor, or if you believe your supervisor has discriminated against you, report the issue to:

EMPLOYMENT REQUIREMENTS

All applicants should visit the JCS website for employment information at www.jasper.k12.al.us, under the tab “Employment”. Certified positions require an on-line application, which will include letters of recommendation, an official transcript, and a teaching certificate. Support applications, available on the JCS website, should be completed manually and submitted to the Central Office either in person or by mail. All application information is available on the JCS website. Upon recommendation to hire, all employees of the Jasper City Board of Education are subject to a background check through the State Department of Education and are required to be e-verified through the Department of Homeland Security.

PROFESSIONAL CERTIFICATION AND PROCEDURES

In addition to requirements established by the State Board of Education and the pertinent job description, professional employees must hold a degree from an accredited college or university and hold a current, valid, and properly endorsed Alabama Teacher's Certificate, which will be maintained in their personnel file.

A teacher who has completed the certification process, but has not yet received the certificate, may be employed pending verification of the initiation of the certification process from the State Department of Education. Mrs. Rita Pilling at Central Office will work closely with each teacher to expedite the process to obtain the certificate as soon as possible.

If a teacher earns a higher degree from a regionally accredited institution recognized by the State Department of Education that merits increased compensation under the approved salary schedule, the salary increase will become effective following verification of the new degree or additional hours with an official transcript presented to Mrs. Rita Pilling at the Central Office.

Professional Certification Reminders:

- All Alternative Level Certificate applications must be submitted after July 1st and be received in the Teacher Certification Office at the Alabama State Department of Education by October 1st of the application year.
- If an employee is renewing an instructional leader/administrative certificate that expires on or after June 30, he or she must earn PLU's (Professional Learning Units) regardless of his or her position or role in which they serve in order to renew that certificate.
- If an employee is renewing a teaching certificate that expires at the end of the five-year period, he or she must earn a minimum of 50 hours of professional development and meet the employment/experience requirement
- Teachers will be notified to submit appropriate documentation to the system's certification officer when the certification renewal application portal opens. It is ultimately the teacher or staff member's responsibility to maintain and renew their certificates so that they remain current and do not expire.

WORK VERIFICATION PROCEDURES

Verification of prior work experience must be obtained through the interview and hiring process. Official verification of prior work experience for certified employees must be obtained from previous employers and must be received within six months of an employee's hire date in order to remain on the recommended

salary schedule. All submission of official verification of prior work experience must meet the Jasper City Schools guidelines in order to receive credit.

Teachers are required to attend faculty meetings and parent-teacher conferences when deemed necessary by the principal. Also, teachers shall be provided a thirty-minute unencumbered time period during the day.

All schools shall have the school doors open for a minimum of eight (8) consecutive hours each workday. The day for professional education employees will include:

The primary responsibility and workload of teachers shall be planning and implementing of the instructional program. Teachers shall share in non-teaching responsibilities, which are considered either necessary or desirable to the proper functioning of the total school program. Teachers are expected to share in the responsibility for supervising co-curricular activities. The assigning of extra duty shall be done in an equitable manner.

Teacher workdays are designed to provide days for teachers to prepare grades, complete reports, and perform other tasks essential to teaching. Faculty meetings should last no more than 45 minutes.

Family members and children of an employee do not have a right to visit the employee at work during work hours. Visiting by family members or bringing children to work can be a severe distraction to both the employee being visited and other employees at the same location. This is similar to an employee having excessive personal telephone conversations or personal conversations at work. Before any employee asks

a family member to come to his/her work location, he/she needs to clear the visit with the principal or supervisor. If the visits become excessive and are a distraction, then the family members may be disallowed from entering school properties.

Dress Code:

The school system has a dress code that must be followed by all employees. In general, all employees (professional, administrative, and support personnel) should be professionally and appropriately attired when conducting school system business. The policy is a general guideline established in order to uplift, enhance, and promote the professional image of the school system.

Each school and department supervisor should review these guidelines with their employees each year. Immediate or site supervisors may approve exceptions to this code for special or occasional activities. In departments where uniforms or uniformity in dress is prescribed by the Board, all affected employees are required to abide by direction and procedure. However, schools or departments may adopt a voluntary dress code for uniforms. Also, reasonable accommodations will be made for religious beliefs if such accommodation would not unduly interfere with the effective functioning of the schools or departments.

- Jeans (except for custodians, maintenance workers, and bus drivers and as allowed for special occasions or special work as approved by the immediate or site supervisor).

DRUG AND ALCOHOL POLICIES & PROCEDURES

Overview and Policy

Jasper City Schools is committed to providing a safe, healthy, and productive work environment. Drug and alcohol abuse can be detrimental to the safety, performance, productivity, and morale of employees in the workplace. To further our objectives, the school district has adopted this alcohol and drug-free workplace policy that implements reasonable measures to ensure that any employee's drug or alcohol problem does not jeopardize the successful operation of our school district business, or otherwise negatively affect our employees or the general public.

While it is not the school district's intention to intrude into the private lives of our employees, the school district does expect employees to report to work in fit condition to perform their duties. Having an alcohol and drug-free workplace will benefit everyone.

Definitions Under This Policy

"Illegal Drugs" means any drug (a) not legally obtainable or (b) legally obtainable but not legally obtained or used, including any "controlled substance" as defined in the Controlled Substances Act (21 U.S.C Section 812), and as further defined in regulations at 21 C.F.R. Sections 1308.11 to 1308.5. Therefore, the term includes prescription drugs obtained illegally and prescription drugs not being used for the prescribed purposes. It also includes marijuana, cocaine, heroin (and derivatives of those drugs) and designer drugs, among other illegal drugs.

"Legal Drugs" means prescribed and over-the-counter drugs legally obtained and being used for the purpose and in the manner for which they were prescribed and/or manufactured.

“Under the Influence” means that the employee is affected by any drug or alcohol (or the combination of drugs and alcohol) in any detectable manner. The symptoms of influence include, but are not limited to, misbehavior, obvious diminishment of physical or mental capabilities, slurred speech, or difficulty maintaining balance.

Prohibited Conduct

The school district has defined conduct that is prohibited to be on the school district property, on school district business, and in school district-supplies vehicles or vehicles being used for school district business or during working hours.

A. Illegal Drugs

The unlawful use, consumption, possession, manufacture, distribution, purchase, sale or offer of sale, transfer, storage, or use of illegal drugs by any employee, while on the school district property, while on duty, or while operating a vehicle or machine leased or owned by the school district is strictly prohibited. Further, no employee may be under the influence of any illegal drug while in the workplace, while on duty, or while operating a vehicle or equipment owned or leased by the school district. Those prohibitions extend to an employee’s personal vehicle located on the school district property or in any vehicle engaged in school district business.

Any employee who is convicted of violating any laws regarding the use of illegal drugs must promptly (within two business days), provide written notice of the conviction to the Superintendent. In addition, employees must notify the Superintendent if they are charged with a violation of any criminal law involving the use of illegal drugs within three (3) days of being charged with such an offense. After receiving notice of such a conviction or charge, the school district will take corrective action or will require the employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by law or regulatory organization.

B. Legal Drugs

Legal drugs (over-the-counter and prescription drugs) are to be used only in the manner, combination, and quantity as prescribed or directed by the employee’s physician. Employees are prohibited from being under the influence of legal drugs on school district property, while on duty, or while operating school district equipment or in any vehicle if such drugs have a tendency to impair an individual’s mental or physical ability to work in any way, or jeopardize the safety of the employee or other individuals at work. If the employee knows or has reason to believe that his/her motor coordination skills, physical or mental ability, and/or regular work activities could be impaired while taking legal drugs, the employee shall immediately notify his or her supervisor that he or she is taking a drug which may cause such impairment to their work performance, along with the nature of the impairment. The employee should not disclose the medication he or she is taking. The school district may ask for a medical certification from the employee’s treating physician regarding the employee’s ability to safely and efficiently perform his or her job duties with or without any work restrictions. Employees must keep all prescribed medicine in its original container, which identifies the drug, date of prescription, and prescribing doctor.

C. Alcohol

Employees may not be under the influence of, purchase, sell, or offer to sell alcohol on the school district property, while on work time, or in any vehicle engaged in school district business. Employees may not use alcohol while on the school district property.

Drug Testing

All drivers of commercial motor vehicles (CMV) who are required to hold a commercial driver's license (CDL) will be required to undergo a drug test as a condition of employment. Those employees include full-time, part-time, seasonal, intermittent and leased drivers. In addition, drug testing will be required for any person who works as an independent contractor or for a contractor and operates a CMV on behalf of the school district.

Drug and/or alcohol testing may be required of any employee whenever there is a reasonable suspicion that such employee is under the influence of drugs or alcohol while at work or is in violation of this policy, in accordance with applicable laws. Employees who maintain a CDL as a requirement of their position will also be subject to random drug testing.

Compliance and Violations

Employment or continued employment with the school district is conditioned upon full compliance with the foregoing substance abuse policy. Any violation of this policy may result in disciplinary action up to and including termination of employment. Furthermore, any employee who violates this policy or who voluntarily seeks assistance may be required, in connection with or in lieu of disciplinary actions, to participate in and successfully complete a school district-approved drug and/or alcohol assistance program as a condition of continued employment. The school district will keep any information concerning an individual's drug and/or alcohol use confidential.

EMPLOYEE ASSISTANCE PROGRAM

The Employee Assistance Program is voluntary and confidential. Through this free program, employees and their immediate family members may receive confidential personal counseling, marital counseling, counseling regarding alcohol and drug difficulties, and other services from a program called Uprise Health. The employee may enter the program through self-referral or may be referred by his or her supervisor. The services are offered at no cost to the employee and are confidential. School officials are not made aware of which employees have used the service. At the employee's request, sick leave may be granted for treatment or rehabilitation on the same basis as is granted for ordinary health problems. Although the services offered by the Employee Assistance Program are free, if those services lead to referral by the program for services that exceed those covered by the program, those costs will be the responsibility of the employee. It shall be the employee's discretion whether to comply with the referral from the Employee Assistance Program to other services. To take advantage of this employee benefit, employees may call **Uprise Health** at **205-871-7814**.

HARASSMENT PREVENTION

Jasper City Schools is committed to promoting harmonious working relationships and a safe work environment that is free of any form of harassment in the workplace. To support that commitment, Jasper City Schools strictly prohibits harassment and any other form of discrimination, including but not limited to harassment based on race, color, national, origin, ancestry, citizenship status, sex, sexual orientation, transgender identity or expression, pregnancy, marital status, parental status, religion, age, disability, past or present service in the uniformed services of the United States, genetic makeup, or any other legally protected basis. Jasper City Schools also prohibits discrimination or harassment against any individual based upon that individual's association with an individual in a protected class. In addition, Jasper City Schools prohibits any form of harassment or bullying against any employee or applicant for employment, or by an employee against anyone, including anyone with whom we do business, or visitors, regardless of whether the victim is a member of protected class.

All executives, managers, administrators, supervisors, and employees are required to maintain a work environment free from such discrimination, harassment and intimidation. Jasper City Schools will investigate all complaints of discrimination or harassment and preserve confidentiality to the maximum extent possible. Any employee who violates this policy may be subject to discipline, up to and including termination of employment.

Employees and applicants for employment will not be subjected to any retaliation or adverse consequences because they have 9a) filed a legitimate complaint of discrimination or harassment; (b) assisted or participated in an investigation of such a complaint, or in any hearing or legal proceeding involving such a complaint; 9c) opposed any unlawful conduct involving discrimination or harassment; or (d) exercised any other legal right protected by law that involves discrimination or harassment. Jasper City Schools' policy is to strongly encourage discussion of the matter to help protect others from being subjected to similar inappropriate behavior.

Prohibited Forms of Harassment

Harassment is defined as verbal or physical conduct that has the **purpose or effect** of unreasonable interfering with an individual's work performance, or creating an intimidating, hostile, offensive, or abusive working environment. Some examples of harassment include, but are not limited to:

- Making racial or ethnic slurs;
- Ridiculing, insulting or demeaning a person, a group of people, or their relatives, friends or associates based upon one or more of their race, color, national origin, ancestry, citizenship status, political affiliation, age, gender, sexual orientation, disability, or religion.
- Subjecting an individual to conduct that constitutes bullying.

Sexual harassment is verbal or physical conduct or abuse of a sexual nature, unwelcome sexual advances and requests for sexual favors in situations where:

- Submission to such conduct is an explicit or implicit term or condition of employment.

- An individual's submission to or rejection of such conduct becomes the basis for employment decisions affecting that individual; or
- Such conduct has the purpose or effect of creating an intimidating, hostile, or offensive working environment.

Sexually harassing conduct may be overt or subtle, and includes, but is not limited to:

- Repeatedly e-mailing, text-messaging, calling, or otherwise attempting to contact another employee to solicit a non-professional relationship with the individual;
- Basing any employment decision on an employee's or applicant's acceptance or rejection of personal relations or sexual advances;
- Verbal conduct, such as suggestive or offensive comments, sexual jokes, or sexual propositions;
- Non-verbal conduct, such as derogatory or pornographic images, pictures, or cartoons, leers or stares; and
- Unwanted physical conduct, such as making physical contact or assault.

Sexual harassment is a form of sex (gender) discrimination, and can occur against either a male or a female individual by either a male or female employee. It can be directed against an employee or a supervisor by another employee or supervisor. It can be directed against an employee by a customer, supplier, contractor, other outside business associate, or visitor, and vice versa.

This policy also applies to Jasper City School's electronic communications systems. Employees may not use any communications systems to harass or offend others, whether employees or non-employees.

Reporting Harassment, Complaint Procedure and Investigation

Any employee who believes he or she has been subjected to any type of discrimination or harassment should immediately tell the other person to "stop" or make it clear that the conduct is not welcome or acceptable. In addition, the employee should inform his or her supervisor of the perceived discrimination or harassment as soon as possible. This will provide the best opportunity to prevent further discrimination or harassment and take effective corrective measures. Failure to report possible harassment which would enable the organization to correct the problem also may prevent further legal action that an individual may otherwise be entitled to take. In the event that you are uncomfortable, for any reasons, with discussing the matter with your supervisor, you should contact the Superintendent.

In addition, it is the responsibility of any employee who has witnessed or been subjected to any discrimination or harassment as described above to report the incident to his or her supervisor, or the Superintendent. Any supervisor or administrator who receives a report of potential harassment must promptly notify the Superintendent.

The employee may be asked to state the complaint in writing. The administrator and/or Superintendent will promptly and thoroughly investigate your complaint and inform the employee of the findings and resolution relative to the complaint. The organization also will take steps to ensure that information obtained during the investigation is shared only with those who have a business need to know about it.

Everyone involved in the investigation will be told of the need for confidentiality and will be expected to maintain confidentiality.

Retaliation against any employee for complaining about harassment on a basis of sex, race, color, religion, national origin, or age is prohibited under this policy and illegal under state and federal law.

Harassment is a serious act of misconduct. If an investigation results in a finding that a person has knowingly, or in a malicious manner, falsely accused another of statement(s) or conduct that did not occur, that person will be subject to appropriate disciplinary action.

EMPLOYEE ABSENCES – KELLY EDUCATIONAL SERVICES (KES)

When an employee needs to be absent from work, the employee is required to notify administration and to enter absences in KES (does not apply to transportation personnel). It is the employee's responsibility to register an absence when he/she will not be reporting to work. Transportation personnel are to report absences as early as possible directly to Jonathan Allen, Transportation Director. The KES website and the KES Employee Guide can be accessed on the Faculty Information tab of the JCS website, www.jasper.k12.al.us. The KES sign-in ID is the employee's building telephone number. The PIN is either the employee's JCS employee number, which can be found on the employee paystub, or the last four digits of the employee's social security number. Additional questions can be answered by your school bookkeeper.

SICK LEAVE

The sick leave plan for all employees shall be in accordance with the rules and regulations established by the State of Alabama and the Board of Education and are outlined as follows:

- A. All employees shall be allowed sick leave at the rate of one day per contracted month and shall be permitted to accumulate these days to the maximum the state allows.
- B. Full pay for sick leave shall be allowed only if the absences fall within the definition of sick leave established by the State Board of Education and outlined below:
 1. Personal illness.
 2. Bodily injury which incapacitates the employee.
 3. Attendance upon an ill member of the employee's immediate family (parent, spouse, child, foster child currently in the care and custody of the employee, sibling); or an individual with a close personal tie.
 4. Death in the employee's immediate family, i.e., husband, wife, father, mother, son, daughter, brother, sister, in-laws, nephew, niece, grandparents, grandchildren, or a person standing in loco parentis.

5. Where unusually strong personal ties exist, due to an employee having been supported or educated by person of some relationship other than those listed, this relationship may be recognized for leave purposes. In each of such cases, the employee shall file with the Superintendent a written statement of the circumstances which justify an exception to the general rule.
- C. If an employee of the Board of Education is absent from his or her job due to personal illness or illness in the immediate family as described above, he or she shall enter the absence in the Kelly Educational Services (KES)/ Aesop on-line substitute program, and notify his/her supervisor as required. If after a period of five (5) consecutive working days of absence an employee has failed to enter the absence into KES and/or notify his/her supervisor, then the Jasper City Board of Education may consider such absences as a resignation, unless circumstances beyond the control of the employee prevent the employee from giving notice.

Note: Employees who are absent from work without personal leave or sick leave may be terminated depending on the circumstances.

- D. If an employee of the Board of Education is absent from his or her job due to personal illness or illness in the immediate family as described above for more than five (5) consecutive working days, a physician's certificate may be required, stating the nature of the illness and the approximate date the employee should be able to return to his/her job, and such statement should be attached to the proper payroll form for the Payroll Specialist. Documentation may also be required if sick leave is used in an unusual manner. Sick leave is not transferable to another individual unless specifically allowed by state statute.

FAMILY AND MEDICAL LEAVE

Employees who are eligible under the Family and Medical Leave Act of 1993 (FMLA) may take leave for up to 12 weeks during a calendar year for any one or more of the following reasons:

1. The birth of the employee's child, and to care for the newborn child during the first year after the birth;
2. The placement with the employee of a child for adoption or foster care, and to care for the newly placed child during the first year after the placement;
3. To care for the employee's spouse, son, daughter, or parent (but not for parent-in-law), who has a serious health condition; or
4. Because of a serious health condition that makes the employee unable to perform one or more of the essential functions of his/her job.

From the inception of the qualifying event, the 12-week FMLA leave entitlement is to be charged concurrently with accumulated sick leave, annual leave, or leave without pay. Any FMLA leave taken for a single condition should be taken all at one time. An employee may take FMLA leave intermittently or by reducing his/her work schedule to care for a family member with a serious health condition or for the

employee's own serious health condition, only if medically necessary and with proper medical certification. An intermittent leave schedule must be approved by his or her supervisor and the superintendent.

The Board may require the employee to provide medical certification of the serious health condition from the attending health care provider. The certification must be submitted within 15 calendar days after the Board requests it. Failure to provide the certification in a timely manner according to policy may result in denial of taking leave and/or discipline up to and including termination. The Board may require, at its discretion and expense, a second medical opinion. If the first and second opinions differ, the Board, at its own expense, may require the binding opinion of a third health care provider approved jointly by the employee and the Board. The Board may require periodic recertification on a reasonable basis. The Board may also require, as a condition of reinstatement, certification from a health care provider that the employee is able to resume work.

Spouses who are both employed by the Board are limited to a combined total of twelve (12) weeks of family leave (rather than twelve (12) weeks each) for the birth or placement of a child for adoption or foster care. However, if an employee's child or spouse is seriously ill, both the employee and his or her spouse are each entitled to twelve (12) weeks of leave. Leave may begin prior to the birth or placement, as circumstances dictate. An employee's FMLA entitlement to leave for the birth or placement of a child for adoption or foster care shall expire at the end of the twelve (12) month period beginning on the date of such birth or placement.

During FMLA leave, the Board will maintain the employee's individual group insurance benefits at the same level and under the same conditions as if the employee had been working. Dependent insurance coverage must be paid by the employee. If an employee fails to return to work at the conclusion of the approved leave, he/she may be required to reimburse the Board for the employer's portion of the premium paid on their behalf during the leave.

Should an employee request FMLA-qualifying leave, the employee must give the Board at least thirty (30) days' advance notice of the need for leave when it is foreseeable, such as a birth, placement of a child for adoption or foster care, or planned medical treatment for a serious health condition of the employee or of a family member, and must set forth:

1. The reasons for the requested leave;
2. The anticipated duration of the leave; and
3. The anticipated start of the leave.

If 30 days' notice is not practicable, such as a medical emergency, notice must be given as soon as practicable (which ordinarily means at least verbal notification of the employee's supervisor within 1 or 2 business days of when the need for leave becomes known to the employee). Reasonable efforts must also be made to schedule foreseeable leave so as not to unduly disrupt work operations, subject to the doctor's approval. Failure to give the required notice may delay the taking of FMLA leave until at least 30 days after the date the employee provides notice to the board of the need for FMLA leave.

To be eligible for the leave, an employee must:

1. Have been employed by the Board for at least one year as of the date leave commences, and
2. Have worked for the Board at least 1,250 hours in the past 12 months.

Upon timely return from FMLA-qualifying leave and proper certification, an eligible employee who has not been designated a key employee by the Board, will be restored to his/her last position or an equivalent position with equal pay, benefits, and other conditions and terms of employment.

Employees involved in disciplinary actions from management will still be under those actions after returning to work from FMLA leave of absence.

It is the policy of the Board not to unlawfully interfere with, restrain, or deny the exercise of any right provided under the Family and Medical Leave Act (FMLA). It is not the intent of the Board to discharge or discriminate against any person for enforcing the FMLA or opposing practices made unlawful by FMLA; nor is it the Board's intent to discharge or discriminate against any person because of involvement in any proceeding under or related to FMLA. FMLA's enforcement procedures parallel those of the Federal Fair Labor Standards Act. The FMLA will be enforced by the U.S. Department of Labor's Wage and Hour Division. If an eligible employee has a complaint regarding an FMLA violation, he or she should discuss it with his/her supervisor, following the chain of command leading to the Superintendent.

MATERNITY/PATERNITY LEAVE

Maternity/paternity leave requests must be made in writing to the principal/supervisor at least 30 days before the beginning of leave or delivery due date. Up to 12 weeks of unpaid maternity leave under the Family Medical Leave Act (FMLA) is available if an employee meets eligibility under the regulations of the law.

The Pregnant Workers Fairness Act (PWFA) allows for reasonable accommodations to a worker's known limitations related to pregnancy, childbirth, or related medical conditions unless the accommodation will cause the employer undue hardship or burden. Reasonable accommodation depends on many factors including the employee's job duties, their condition(s), and how the requested accommodation impacts the employer.

If an employee has available sick leave, vacation leave, or other applicable leave, the employee must utilize those forms of leave before taking unpaid leave under FMLA. The paid leave and the FMLA leave will run concurrently from the first absence. Accumulated sick leave will be used during the duration of the leave of absence.

At the employee's request, maternity leave may be granted without pay. The employee and the administrator will agree upon the length of the leave, taking into consideration the welfare of students for whom the teacher is responsible.

Up to 12 weeks of unpaid leave may be requested for paternity leave for eligible employees under the FMLA. If needed, the employee may request to borrow days from the Sick Bank if he/she is a member.

Spouses Employed by the Jasper Board of Education Requesting Maternity and Paternity Leave – under the FMLA, a combined total of twelve (12) weeks of unpaid leave (or applicable paid leave described previously) for a husband and wife employed by the same board of education is allowed.

Catastrophic Leave for Maternity Leave Requests – If an employee does not have accumulated sick leave to cover the amount of time the physician certifies the employee will not be able to perform regular job duties, and she is a member of the sick bank, a request in writing for catastrophic leave may be submitted to the Superintendent to cover the amount of time the physician states the employee must remain off work for recovery.

One Year Leave of Absence – Full-time, tenured employees may be granted a leave of absence without pay, for one entire academic year (August through May which may not include portions of two separate academic years), for the birth and first year care of a newborn child or adoption of a child. This leave would not count towards experience in the determination of placement on the salary schedule.

- An employee returning from a year's leave of absence is not guaranteed their original position, but is subject to transfer and reassignment to another vacant position in the school district. He/she will be re-employed in the first vacant position for which he/she is qualified and certified.
- Benefits are continued through FMLA leave, but employees must contact the Payroll Specialist if the leave exceeds this time frame to verify continued benefits coverage, specifically PEEHIP.

EMERGENCY LEAVE

On the basis of a written request approved by the Superintendent, emergency leave may be authorized in the case of extreme emergency when the year's personal leave days have been expended. For each day of approved emergency leave there shall be a full salary deduction equal to the employee's daily rate of pay.

VACATION LEAVE

Vacation for all Twelve Month Employees: Twelve-month employees will be granted .8333 days of vacation leave per month (10 days per year). All twelve-month employees shall be permitted to accumulate vacation for a maximum of 20 days.

Vacation for all Eleven Month Employees: Eleven-month employees will be granted .4167 days of vacation leave per month (5 days per year). All eleven-month employees shall be permitted to accumulate vacation for a maximum of 10 days.

At no time is an employee allowed to accumulate more than the maximum allowed for vacation days. If an employee's vacation balance exceeds the accumulated limit, he or she will lose the difference, unless specific authorization is given by the Superintendent. Taking unearned vacation shall not be allowed without permission of the Superintendent.

Twelve-month and eleven-month employees can use all of their vacation prior to either retirement or resignation. In the event that an employee is terminated, he or she will be reimbursed for any unused vacation days at his or her current daily rate. Vacation should be scheduled in cooperation with the employee's immediate supervisor. Employees will be compensated for any unused vacation days at the time of their resignation or retirement. The rate of compensation will be based on their daily rate of compensation at the time of resignation or retirement.

Employees will not be reimbursed for earned vacation prior to the end of the employment with the Jasper City School system.

PERSONAL LEAVE

Each employee shall be allowed three (3) days of personal pay with full pay for any annual contract period. Two additional days are allowed annually, but the total cost of a substitute will be deducted from the employee's pay for that period (currently \$100.10 for a certified substitute, \$92.95 for a noncertified substitute).

Personal leave should be requested in writing at least 3 days in advance. No personal leave shall be granted within the 10-day period beginning with Institute Day, nor during the last 10 days of the scholastic year, except in emergencies. Employees must have preapproval from their principal or supervisor for any personal leave taken immediately before or after a school holiday. The administrator may deny such leave if a large number of employees have already scheduled leave for the same time period. At the end of a contract period, any unused personal leave days will automatically convert to sick leave for future use.

PROFESSIONAL LEAVE

Upon written request by the employee and approval by the principal, professional leave may be granted for the purpose of attending educational activities. The number of days approved for such leave will be at the discretion of the Superintendent; provided, however, that any such leave exceeding five (5) days in a scholastic year must be approved by the Board.

OTHER EXTENDED LEAVE – One Year Leave of Absence

Upon written request by the employee, the Board may grant leaves of absence without pay, for one entire academic year (August through May which may not include portions of two separate academic years), for the birth and first year care of a newborn child or adoption of a child. Other reasons for requesting a year's leave of absence are for study, family obligations, wellness or illness; with the stipulation that the employee

will be re-employed in the first vacant position for which he or she is qualified and certified, which may or may not be the same position held before the commencement of leave. Such requests should be submitted no later than March 15 prior to the next scholastic year. Such leave is available to nonprobationary certified personnel only.

MILITARY LEAVE

Military leave is available to all eligible employees in accordance with state and federal law. Military paid leave will be utilized for the specific number of days, according to the specific type of military leave, after verification has been provided to the Payroll Specialist.

COURT LEAVE

Permanent and full-time employees are entitled to regular compensation while performing jury duty (ALA. CODE 12-8-25), or when the employee is summoned under subpoena or other legal requirement to testify at trial in a court of law, or in administrative proceedings constituted under the statutory authority of the agency conducting the proceeding. Paid leave is not authorized for employees to meet with attorneys, to attend depositions, or to otherwise prepare for legal proceedings unless the presence of the employee is requested or required by the Board.

An employee must submit the summons for jury duty prior to the date to appear for this service. A copy of the jury certificate that an employee receives from the court at the completion of their jury service must also be submitted. These documents must be given to the bookkeeper at the employee's work location. Failure to provide this documentation will result in utilizing the employee's accumulated personal or vacation to cover the absence. In the event the employee has no accumulated days, a pay deduction equivalent to their daily rate will be docked for each day.

CATASTROPHIC LEAVE

To apply for Catastrophic Leave, a written request must be submitted to the Payroll Specialist to verify eligibility. The employee must first use all sick leave, vacation days (if applicable), and personal days. Members of the sick leave bank may then request donated days from other Alabama public school employees to cover absences. If additional days are still needed, the employee must then request to borrow days from the sick bank. For additional information regarding catastrophic illness procedures, please refer to the Sick Bank procedures of JCS. **NOTE: To receive donated days and/or borrow days, the employee must be an existing member of the sick bank.**

INTERMITTENT MEDICAL LEAVE

Intermittent medical leave is available for individuals with certain medical conditions that may not require an employee to be absent 10 consecutive days or longer, but frequent absences may result from the condition. An employee may also apply for Intermittent Catastrophic Leave.

MISCELLANEOUS LEAVE

A full-salary deduction shall be made for an absence from duty for reasons other than those covered by the above leave provisions, unless granted by the Board. The salary deduction for each day of such absence shall be at the daily rate of pay.

ON THE JOB INJURY LEAVE

On the job injury includes an accident or injury to an employee that occurs in the course of performing job duties for the Board, or when the employee is directed or requested by the employer to be on the property of the employer and the injury is such that it prevents the employee from working or returning to the job. The principal or supervisor must submit an **Incident Report**, signed by the employee if possible, to the Superintendent within 24 hours after the injury occurred, stating the details of the on the job injury.

Upon determination that the employee has been injured on the job and cannot return to work, the Board may maintain the employee's salary and benefits for the period of incapacity caused by the injury, up to ninety (90) working days. Such continuance is subject to the following requirements:

- Employee salaries may be continued during their absence due to job-related injury upon presentation to the Superintendent of satisfactory evidence which demonstrates that the absence was due to a job-related injury.
- Payments to the employee shall equal 100% of that employee's regular daily salary for each day absent due to the job-related injury.
- Salary continuation may be made only for temporary disability where there is a reasonable expectation that the employee will return to work and the salary continuation will not exceed ninety (90) days.
- Absence due to job-related injury shall be treated as sick leave for purposes of claiming reimbursement for substitutes and no deduction from employees' accumulated sick leave shall be required for paid absence due to job related injury. However, this does not preclude an employee who is absent due to job-related injury from using sick leave.

An employee who is injured on the job may file a claim to receive unreimbursed medical expenses and costs with the State board of Adjustment up to one year following the injury. Failure to file a claim within one year will waive the employee's rights. The Board will provide such reasonable assistance to the

employee in filing the Board of Adjustment Claim as required by law, but assumes and will have no responsibility or liability for processing the claim or directly reimbursing the employee any unreimbursed medical expenses and costs. On the job injury leave will be administered in accordance with and subject to the requirements and limitations imposed by state law regarding such leave.

SICK LEAVE BANK

I. Purpose

The School System Sick Leave Banks (hereinafter referred to as SLBs) are established to provide a loan of leave days for participating members after their accumulated sick leave days have been exhausted and to provide catastrophic sick leave. This action is authorized by The Code of Alabama and the Board of Education. In accordance with The Code of Alabama, the decision to have a joint or separate SLB(s) for certified and support staff is to be made by each group, utilizing a secret balloting process. The accounting of the SLB(s) shall be the responsibility of the Board.

II. The Sick Leave Bank Committee

- A. Each SLB committee shall consist of five (5) members. At the beginning of each scholastic year, four (4) shall be selected by a secret ballot election held among the sick leave bank members. One (1) member shall be appointed as the system's representative by the superintendent, subject to board approval. Before each election of participant representatives, the Board will hold an open nomination period. Any employee who is eligible to participate in the sick leave bank may be nominated for one of the participant representative positions. Nominations must be written and must be submitted to the Payroll Specialist by the deadline specified in a notice to be provided by the Payroll Specialist through electronic communication. Each eligible nominee will be placed on the Sick Leave Bank Committee ballot. Voting will take place by ballot in a method and time specified by the Board. Supervision of voting will be by the Payroll Specialist. The four candidates receiving the highest number of votes will serve as participant representatives on the Sick Leave Bank Committee. The Superintendent will be responsible for conducting the election in a fair and equitable manner, ensuring the confidentiality of the secret balloting process.
- B. Members of the SLB committee will serve a term of one year. Terms shall be for the scholastic year. Vacancies shall be filled by the respective parties. No representative on the committee shall serve for a term longer than five consecutive years.
- C. It shall be the exclusive responsibility of the sick leave bank committee to write the guidelines and administrative procedures of the sick leave bank, including the catastrophic leave provisions. It shall also be the committee's duty to develop all necessary forms for the orderly operation and administration of the sick leave bank and catastrophic leave provisions. A uniform state form provided by the State Department of Education shall be used to transfer and receive catastrophic sick leave days from one sick leave bank to another. Guidelines shall be approved by a secret ballot vote of participating members of the sick leave bank.

III. Duties of the SLB Committee

Each SLB(s) guidelines shall include the regulations of this section. Additional guidelines shall be adopted by the SLB committee as may be deemed appropriate and beneficial. No Board or SLB committee shall adopt any regulation which conflicts with the following general regulations:

- A. No employee shall be allowed to owe more than 15 days to the SLB, unless over 50% of the members of the bank vote to extend the limit.
- B. Appropriate administrative forms for administering the SLB shall be developed by the SLB committee.
- C. Sick leave days shall be repaid to the SLB monthly as re-earned by the member. Upon the resignation or other termination of an employee who has an outstanding loan of sick leave days, the value of the loan shall be deducted from the final paycheck at the employee's prevailing rate of pay.
- D. A member of the SLB shall not be allowed to accumulate more days than allowed in Section 16-1-18-1, (Code of Alabama), including days in the SLB.
- E. Employee membership in the SLB shall be voluntary.
- F. Any alleged abuse of the SLB shall be investigated by the SLB committee. On the finding of wrongdoing, the member shall repay all of the sick leave credits drawn from the SLB and be subject to other appropriate disciplinary action as determined by the local Board.
- G. Upon retirement or transfer of the SLB members, days on deposit with the SLB shall be withdrawn and transferred with the employee or made accessible for retirement credit, as applicable.
- H. Before being eligible to use catastrophic sick leave days, the member of the SLB shall first borrow and utilize days from the SLB, up to a maximum of 15 days. However, if the member later qualified for catastrophic sick leave, donated catastrophic sick leave days may be used to repay days owed to the SLB to the credit of the affected member.
- I. At the beginning of the scholastic year, or upon employment of a new employee, as the case may be, the appropriate number of sick leave days shall, upon application of the employee, be credited to the employee's account to enable the employee to join the SLB if the employee does not have the minimum number of sick days to enable him or her to join the bank. The SLB committee shall develop in its guidelines a provision whether or not to allow other employees who have previously failed or refused to join the SLB the option to join upon deposit of the prerequisite number of sick leave days. Any policy developed by the SLB committee shall be uniformly applied to all employees.

IV. Eligibility and Participation in the Sick Leave Bank

- A. Any full-time or part-time employee of the Board possessing five (5) days of accrued sick leave may participate in the Sick Leave Bank. **Any new full-time employee can become a member by completing an authorization form included in the benefits package.** The next five (5) earned days of sick leave will be deposited in the sick leave bank. **Existing employees can become a member only during open enrollment each year (August 1 – September 15).** The Bank allows participating members who have exhausted all of their sick leave to borrow

- up to 15 days pending committee approval. The days will automatically be paid back as days are accrued. If an employee leaves the school system with outstanding debt to the bank, the paid value of the loan shall be deducted from the final paycheck at the prevailing rate.
- B. The deposit of leave days into the SLB must conform to the SLB guidelines set up by the SLB committee.
 - C. No employee shall be allowed to borrow or owe a number of days which is in excess of fifteen (15) days unless 50% of the participating members of the SLB vote to extend said limit.
 - D. To be eligible for a loan from the SLB, a participating member must have exhausted all accumulated sick leave in his/her personal account.
 - E. The Board Payroll Department shall maintain records of all member deposits to the SLBs, withdrawals from the SLBs, and the status of the SLBs. Reports shall be provided on a timely basis and at the request of the SLB committee, Superintendent, or Board.
 - F. The number of days loaned to an applicant shall be determined by the SLB committee. Factors to be considered include, but are not limited to, (1) the applicant's need, (2) the circumstances of the illness or disability, (3) years of service to the system, and (4) the availability of days in the SLB.

V. Procedures for Sick Leave Due to Catastrophic Illness

- A. Employees participating in an SLB, at their discretion, may donate a maximum of thirty (30) days to the sick leave bank to be designated for a specific employee for use against a catastrophic illness. Any illness, injury, pregnancy or medical condition related to childbirth certified by a licensed physician which causes the employee to be absent from work for an extended period of time is defined as catastrophic illness.
- B. The employee who is to receive sick leave days for catastrophic illness shall be a member of the SLB and shall have no sick leave and personal leave available (i.e., the member will have exhausted all accumulated days of leave).
- C. The ill employee may use the donated days but shall not be required to repay the days. Also, donated days may be used to repay the SLB.
- D. The employee who donates sick leave days to the sick leave bank for a particular employee for use against a catastrophic illness shall not be able to recover such donated days. However, if the particular employee does not require all the days donated to him/her, the days shall revert to the credit of those employees who donated the days in accordance with the guidelines adopted by the sick leave bank committee. Sick leave days may be donated to a beneficiary employee to be used for the same reasons that regular sick leave may be used according to the law (Code of Alabama, Section 16-1-18.11).
- E. No employee may donate more than 30 sick leave days, exclusive of the minimum deposit to the sick leave bank for the catastrophic sick leave of any one employee.
- F. The SLBs are authorized to donate sick leave days to another SLB, including SLBs of other Alabama school systems for use by a particular employee who is suffering a catastrophic illness.

LEGAL REF: The Code of Alabama, Section 16-22-9 and supporting provisions in Section 16-1-18.1.

INDIVIDUALS WITH DISABILITIES POLICY

As part of our commitment to diversity, respect for others, and the principles of equal employment opportunity, it is the policy of the Jasper City Board of Education to comply with the Americans With Disabilities Act of 1990, Section 504 of the Rehabilitation Act of 1973, as amended, and accompanying regulations, as well as laws of the State of Alabama regarding the employment of individuals with disabilities.

Definitions

- (1) The term “disability” means, with respect to an individual –
 - (a) A physical or mental impairment that substantially limits one or more major life activities of such individual;
 - (b) A record of such an impairment; or
 - (c) Being regarded as having such an impairment.
- (2) “Major life activities” include, but are not limited to, caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working.
- (3) “Major bodily functions” include but are not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory endocrine, and reproductive functions.
- (4) “Regarded as having such an impairment” means that the individual has been subjected to an adverse action because of an actual or perceived physical or mental impairment whether or not the impairment limits or is perceived to limit a major life activity. This definition does not apply to impairments that are transitory and minor. A transitory impairment is an impairment with an actual or expected duration of 6 months or less.

Procedures

(1) Job Accommodations

Jasper City Schools will make reasonable accommodation to the known physical or mental limitations of an “otherwise qualified” employee with a disability to enable him or her to perform essential job duties unless such accommodation would impose an undue hardship on the operations of Jasper City Schools. An individual with a disability is “otherwise qualified” if he or she can perform the essential functions of the position with or without reasonable accommodation.

In determining the extent of Jasper City School’s accommodation obligations, the following factors among others may be considered: (1) business necessity, (2) whether the accommodation would pose an undue hardship on Jasper City Schools, and (3) whether the individual with a disability poses a direct threat to the health or safety of others in the workplace.

Jasper City Schools will remove physical barriers to an employee’s workplace accessibility and usability where such removal is needed and readily achievable.

The following modifications may be made to an individual employee’s job under appropriate circumstances:

- (a) Modifications to a job application process that enables a qualified applicant with a disability to be considered for the position.
- (b) Modification of an individual's job duties by reassigning, reallocating, or redistributing nonessential, marginal functions.
- (c) Modification of an individual's work schedule within the individual's normal shift, or reassignment to a vacant position.
- (d) Modification of the work environment, equipment, or the manner or circumstances under which the job is customarily performed, including training and work flow and/or procedures, affecting an employee's job functions, that enables a qualified individual with a disability to perform the essential functions of that position.

(2) Application Process

Jasper City Schools will make reasonable accommodations to the known physical or mental limitations of "otherwise qualified" applicants for employment who have a disability, unless such accommodation would impose an undue hardship on the operations of Jasper City Schools. An individual with a disability is "otherwise qualified" if he or she satisfies all of the skill, experience, education and other job-related selection criteria, except that, because of a disability, he or she needs a reasonable accommodation to perform the job's essential functions. Jasper City Schools invites all applicants who have been offered employment to "self-identify" before they begin working to indicate whether they may have disability and wish to benefit under this policy.

(3) Reasons for Accommodations

Jasper City Schools may make job accommodations or accommodation transfers under the following circumstances:

- (a) To accommodate the needs of an employee with a disability;
- (b) To accommodate other extraordinary personal needs of an employee;
- (c) To satisfy other needs of the business

(4) Accommodation Transfers

Accommodation transfers will be considered only when accommodation within the individual's current position would pose an undue hardship on Jasper City Schools' operations.

An employee who can no longer perform, with or without accommodation, his or her current position because of a disability, will be placed, on a lateral basis, in an existing vacant position (or in a position that will become vacant within a reasonable time). The employee must be qualified for and able to perform the essential job duties of that position, with or without accommodation. The placement also must not pose an undue burden on Jasper City Schools' operations.

If such vacancy exists, or the employee declines such placement, the employee will be placed in an existing vacant position (or in a position that will become vacant within a reasonable time) on successively lower levels. The employee must be qualified for and able to perform the essential job duties of a position, with or without accommodation. The placement also must not pose an undue burden on Jasper City Schools' operations.

Employees in need of an accommodation transfer will be given first consideration (before posting) for such vacancies on a lateral or downgrade basis. If no such vacancies exist or the employee declines such placement, the employee's employment will be terminated.

Employees in need of an accommodation transfer will be considered on a promotional basis without priority or preference.

(5) Accommodation Leaves of Absence

A qualified individual with a disability may request an accommodation leave of absence of a specific duration, work part-time in his/her current position for a specific period of time, or take intermittent time off, as a reasonable accommodation if it would not impose an undue hardship. Jasper City Schools will consider each such request on a case-by-case basis as part of the interactive reasonable accommodation process.

(6) Accommodation Requests

Any employee in need of:

- accommodation for workplace accessibility or usability to perform essential job duties or to participate in organization-sponsored programs and activities,
- alternative accessible formats for organization communications,
- emergency treatment or emergency evacuation assistance,
- a disability accommodation leave of absence, or
- other accommodation

should make such needs known to Central Office. After appropriate discussion with the employee regarding accommodation alternatives and consideration of the employee's specific needs, the Superintendent will inform the employee as to what, if any, reasonable accommodation will be made.

If an employee who is known to have a disability is having significant difficulty performing the essential functions of his or her job and it is reasonable to conclude that the performance problem is related to the disability, Jasper City Schools will confidentially inquire whether the problem is related to the employee's disability. Jasper City Schools will also inquire whether the employee is in need of reasonable accommodation.

(7) Confidentiality

Whenever applicants or employees provide Jasper City Schools with medical information during the self-identification process, the information obtained is kept confidential. Jasper City Schools will maintain all information regarding the medical condition or history of applicants, employees, and employee's dependents on separate forms and in separate secure medical files, and treat such information as a confidential medical record to be utilized only as permitted by law. COMPLAINTS AND GRIEVANCE PROCEDURES

No person shall be denied employment, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in any program or activity on the basis of handicap, gender, race, religious belief, national origin or ethnic group, color, or age.

Purpose: To resolve at the lowest possible administrative level, differences and issues related to alleged discrimination against employees within the meaning of the Vocational Rehabilitation Act, the Americans with Disabilities Act or the Federal Education Amendment, and any other applicable state or federal statute or regulation. These proceedings will be kept as informal and confidential as may be appropriate at all levels of procedure.

Definitions: A “grievance” is a complaint by any professional or support staff member specifically asserting a possible violation of any of the above-referenced statutes or regulations. A grievance procedure is the method by which a person may seek to resolve such a complaint.

Level One (Informal Procedures)

The aggrieved employee must first discuss his or her grievance with the immediate supervisor with the objective of resolving the matter informally. (The principal should be considered the immediate supervisor for all building employees.) If the person against whom the complaint is being made is the aggrieved employee’s immediate supervisor, the employee may take the complaint to the appropriate coordinator.

The aggrieved employee and his/her immediate supervisor should confer on the grievance with a view toward arriving at a mutually satisfactory resolution of the complaint. At the conference, the employee may appear alone or be accompanied by a representative of his or her choice. The supervisor may have such other persons present as he or she deems appropriate.

If the grievance arises from the actions of a specific person or persons, the supervisor should inform such persons of the nature of the grievance and attempt to ascertain the facts of the case from their perspective. If it is agreeable to all parties, a conference will be held which includes the aggrieved employee, the supervisor, and the person(s) against whom the grievance has been made. Each of these parties may appear alone or be represented, and the discussion should be directed at reaching a mutually satisfactory resolution of the complaint.

Level Two (Formal Procedures)

Step 1

If as a result of the discussion between the complainant, supervisor and possible other parties, the matter is not resolved to the satisfaction of the complainant, then within five (5) school days of such conference, unless an exception is granted by the supervisor in his or her sole discretion, he or she shall set forth his or her grievance in writing to the supervisor specifying:

1. The nature of the grievance.
2. The nature or extent of the alleged injury, loss, or inconvenience.
3. The corrective action sought.
4. The results of previous discussion(s) and conference(s), and
5. The basis of and reasons for his or her dissatisfaction with the decision previously rendered.

The complainant shall be informed that if he or she so requests, assistance will be provided in developing a written statement of the grievances. The supervisor should communicate his or her decision in writing to the complainant upon the written presentation of the grievance in as soon as practicable, preferably within 10 school days. If a grievance is pursued beyond this level, written records should be forwarded to the next level of procedure by the complainant.

Step 2

If the complainant is not satisfied with the disposition of his or her grievance at Level Two, Step 1, he or she may present his or her grievance to the superintendent within five (5) school days of receipt of the supervisor's written decision unless an exception is granted by the superintendent. The superintendent may consult with or refer the matter to the appropriate coordinator, at the superintendent's discretion.

The superintendent or coordinator, as the case may be, should review the written record, counsel with the complainant, hear witnesses as he or she deems necessary, and render a decision in writing as soon as practicable.

Level Three (Formal Procedures)

Step 1

In the event the employee is not satisfied with the disposition of his or her grievance at Level Two, Step 2, he or she may file the grievance in writing with the Board of Education through the office of the superintendent within five (5) school days after receipt of the decision from Level Two, Step 2, unless an exception is granted by the superintendent.

He or she may request a private hearing before the Board of Education by providing a written request to the superintendent within the same time frame. In that event, the superintendent will submit to the Board of Education copies of the written record. The aggrieved employee as well as the superintendent and school system staff may be represented or accompanied by legal counsel at this hearing, and minutes of the proceeding will be made. The Board of Education may call witnesses as it deems appropriate. The aggrieved employee shall be given a written decision by the Board of Education as soon as practicable, preferably within 10 school days.

TRANSFER/REASSIGNMENT PROCEDURES

Voluntary – The Principal/Supervisor may consider granting a voluntary transfer/reassignment if the employee so requesting possesses the required qualifications for the desired position and if a vacancy in such position exists. All requests for voluntary transfers/reassignments should be in writing on the Internal Transfer Form/Reassignment Request Form located on the Personnel website. These forms should be submitted to the current building administrator/supervisor.

All requests for voluntary transfers shall be carefully considered and reviewed in accordance with Board policies concerning prohibited discrimination practices. Hiring recommendations will be submitted from the building administrators or central office supervisors to the Superintendent for consideration.

Involuntary – The Board may transfer/reassign any teacher or classified employee, including personnel employed as principals and supervisors, upon the recommendation of the Superintendent, for any succeeding year, from one position, school or grade to another by giving written notice to the employee of such intention to transfer/reassign. Such transfer/reassignment shall be without loss of status or violation of contract and shall not be for political or personal reasons.

- In accordance with **The Students First Act of 2011**, tenured or non-tenured teachers can be reassigned one time per year to any position for which they are qualified on their school campus within the first 20 days of school. This reassignment is not subject to review and Board approval is not required.
- Tenured or non-tenured teachers can be transferred to another school to a position for which they are certified within the first 20 days of school. Written notice must be given to the teacher and the teacher is afforded the opportunity for a conference with the Board. Once the Board votes, this transfer/reassignment is not subject for review.
- In accordance with **The Students First Act of 2011**, probationary and non-probationary classified employees may be reassigned to a new position for which they are qualified without loss in pay. This reassignment is not subject for review and Board approval is not required.
- Probationary and non-probationary classified employees may be transferred to a different location for which they are qualified. For probationary classified employees, this transfer is not subject to review. For non-probationary classified employees, a written notice is provided to the employee, but this transfer is not subject for review and the employee has no rights before the Board. The transfer is effective 15 days after the Board vote.
- If there is a transfer to another position and the teacher or classified employee would receive reduced pay, the employee must receive advance notice and has rights before the board, according to **The Students First Act of 2011**.

SUSPENSION AND TERMINATION

The Board may suspend or dismiss any person's employment as outlined in **The Students First Act of 2011** in the Code of Alabama for the following reasons: (1) incompetency, (2) insubordination, (3) neglect of duty, (4) immorality, (5) justifiable decrease in the number of positions, (6) failure to perform duties in a satisfactory manner, or (7) any other good and just cause. An employee who contests the suspension or termination must follow the procedures outlined in **The Students First Act of 2011**.

END OF YEAR STAFFING PROCEDURES

Tenure – In accordance with **The Students First Act of 2011**, all personnel remain on probationary status until continuing service status (tenure) is attained. Teachers and classified employees who have worked in the Jasper City School System for three complete, consecutive school years and are thereafter employed by the Jasper City Board of Education for the next succeeding school year shall attain continuing service status (tenure). For the school year to count as a complete school year, the teacher or classified employee must be hired prior to October 1st and work to the end of the school year. During the probationary period, employees may be dismissed at any time at the discretion of the Jasper City Board of Education, upon written recommendation of the Superintendent and issuance of written notice to the employee. All terminations of probationary (non-tenured) and non-probationary (tenured) employees shall follow the procedures outlined in **The Students First Act of 2011**, effective July 1, 2011.

Retirement – If considering retirement at the end of the current school year, an employee must contact the Teacher Retirement System (TRS) to verify eligibility. The employee must contact the Payroll Specialist to complete necessary paperwork by the deadlines specified by TRS in order to avoid missing a paycheck. A letter indicating the decision to retire must be submitted to the Principal or Superintendent.

One Year Leave of Absence Request – If a tenured employee plans to request a leave of absence for the following full academic year, he/she must submit a written request to the principal no later than March 15th prior to the next scholastic year, if at all possible.

Resignation – In the event a certified employee does not plan to return to Jasper City Schools in the following school year, the principal or supervisor must be notified in writing thirty (30) days prior to the first instructional day students are scheduled to report to school without the Board's consent. After the start of school, the teacher may resign with thirty (30) days' notice. TECHNOLOGY

The primary goal of the technology environment is to support the educational and instructional endeavors of students and employees of Jasper City Schools. Use of any and all technology resources is a privilege and not a right.

To ensure that students receive a quality education and that employees are able to work in a professional and intellectually stimulating environment, it is the goal of Jasper City Schools to provide all students and employees with access to a variety of technology resources. All Jasper City School students and staff must acknowledge and adhere to the technology policies of JCS found on the JCS district website which include JCS Internet Safety Policy, JCS Acceptable Use Policy and the Data Governance Policy. Each faculty member is to be trained on the Data Governance Policy annually. The creation of a large and varied technology environment demands that technology usage be conducted in legally and ethically appropriate ways, consistent with the Mission Statement and instructional goals of the Jasper City Schools. We recognize that the use of technology always requires attempts to balance the benefits against the possibilities of danger, security problems, and abuse. Rapid changes in technology and growth in the range of content available makes this a constant challenge. Thus, it is the intention of the Jasper City Schools that all technology resources will be used in accordance with any and all school system policies and procedures as well as local, state, and federal laws and/or guidelines governing the usage of technology and its component parts. Additionally, it is implied that all students and employees of the Jasper City Schools will use the provided technology resources so as not to waste them, abuse them, interfere with or cause harm to other individuals, institutions, or companies.

Some of the sections of the policy pertain to technology equipment personally owned by school employees and students and brought into school facilities. All personal technologies used on any Jasper City School campus are subject to this policy and may be used only if such usage is in compliance with all school system policies, procedures, and guidelines as well as local, state, and federal laws. All electronic content stored on any external storage medium or personal off-site storage location that is brought to or accessed from a Jasper City Schools campus is subject to all school system policies and guidelines, as well as local, state, and federal laws. Employees are prohibited from emailing outside the school system or storing/saving on external storage devices or portable devices that do not remain on campus, electronic copies of student or staff personal information. This information includes, but is not limited to, data containing social security numbers, information protected by FERPA, and any other sensitive and/or protected information. In the event that this type of information is stored on a portable or external device and said device is lost or stolen, the Technology Director should be notified immediately. Any questions about this policy, its interpretation, or specific circumstances shall be directed to the Technology Director before proceeding.

No electronic device or equipment (computers, iPads, printers, laptops, etc.) owned by the District and currently in use will be sold. Only items included on the district surplus list or on the rotation/replacement list are eligible for individual purchase with approval from the superintendent.

In using or accessing the Computer Resources, users must comply with and be aware of the following provisions:

No Expectation of Privacy. The computers and computer accounts given to users are to assist them in the performance of their jobs or in the case of students, in their educational studies and activities. Users should not have an expectation of privacy in anything they create, store, send or receive on the Computer Resources. Computer Resources belong to JCS and may be used only for the purposes set forth herein. JCS has the right, but not the duty, for any reason and without the permission of any user, to monitor any and all of the aspects of its Computer Resources, including, without limitation, reviewing documents created and stored on its Computer Resources, deleting any matter stored in its system, monitoring sites visited by users on the internet, monitoring chat and news groups, reviewing material downloaded or uploaded by users from the internet, and reviewing e-mail sent and received by users. Users are responsible for all transactions made and actions taken using their passwords. No user may access the Computer Resources with another user's password or account. Use of passwords to gain access to the Computer Resources or to encode particular files or messages does not imply that users have an expectation of privacy in the material they create or receive on the Computer Resources.

Each user is responsible for taking reasonable precautions to ensure he or she does not introduce viruses into JCS Computer Resources or computer network. Using or copying software in violation of a license agreement or copyright that violates any state, federal or international law.

These acts include, but are not limited to, sending mass mailings or chain letters, spending excessive amounts of time on the internet playing games, engaging in online chat groups, printing multiple copies of documents, streaming of multimedia content not required for work, or otherwise creating unnecessary network traffic.

Accessing Other User's Files. Users may not alter or copy a file belonging to another user without first obtaining permission from the owner of the file. The ability to read, alter or copy a file belonging to another user does not imply permission to read, alter or copy that file. Users may not use the Computer Resources to “snoop” or pry into the affairs of other users by unnecessarily reviewing their files and e-mail. Excepted from this provision are those persons conducting investigations or administrative duties at the request and with the authorization of the Technology Coordinator or Director of Operations.

6. Provide other users access to software with your password or account.

E-Mail Policy

To maximize the benefits of its Computer Resources and minimize potential liability, JCS has created this e-mail usage policy. All computer users are obligated to use these resources responsibly, professionally, ethically, and lawfully.

Employees and other users are given access to our computer network to assist them in performing their duties. Employees and users, including students, should not have an expectation of privacy in anything you create, store, send or receive on the Computer Resources. The Computer Resources belongs to JCS and may only be used for business purposes. Without prior notice, JCS may review any material created, stored, sent or received on its network or through the internet or any other computer network.

Altering attribution information. Employees must not alter the “From:” line or other attribution-of-origin information in e-mail, messages or postings. Anonymous or pseudonymous electronic communications are forbidden. Employees must identify themselves honestly and accurately when participating in chat groups, making postings to newsgroups, sending e-mail or otherwise communicating online.

Attorney-client communications. E-mail sent to in-house counsel, if any, or an attorney representing JCS should include this warning header on each page:“ATTORNEY-CLIENT

PRIVILEGED; DO NOT FORWARD WITHOUT PERMISSION.” Communications from attorneys may not be forwarded without the sender’s express permission.

Confidential Transmissions. Any confidential e-mail, and/or files transmitted with it, is intended solely for the use of the individual or entity to whom it is addressed. The communication may contain material that is privileged, confidential and exempt from disclosure under applicable law. If you are not the intended recipient or the person responsible for delivering the e-mail to the intended recipient, be advised that any dissemination, distribution or copying of this communication is strictly prohibited. If you have received an e-mail or communication in error, please notify the sender immediately.

Internet Use Policy

The internet can be a valuable source of information and research. In addition, e-mail can provide excellent means of communicating with other employees, students, parents, community stakeholders, vendors, and others. Use of the internet, however, must be tempered with common sense and good judgment. Users who abuse their use of Computer Resources to access the internet may have access to the internet restricted or removed. In addition, users who violate this rule may be subject to disciplinary action, including the possibility of termination, and civil and criminal liability.

Your use of the internet is governed by this practice:

Disclaimer of liability for use on internet. JCS is not responsible for material viewed or downloaded by users from the internet. The internet is a worldwide network of computers that contains millions of pages of information. Users are cautioned that many of these pages include offensive, sexually explicit and inappropriate material. In general, it is difficult to avoid at least some contact with this material while using the internet. Even innocuous search requests may lead to sites with highly offensive content. In addition, having an e-mail address on the internet may lead to receipt of unsolicited e-mail containing offensive content. Users accessing the internet do so at their own risk.

Employees’ duty of care. Employees should endeavor to make each electronic communication truthful and accurate. You should use the same care in drafting e-mail / electronic documents as you would for any other written communication. Please keep in mind that anything created or stored on the Computer Resources may, and likely will, be reviewed by others.

No privacy in communications. Users of JCS Computer Resources should never consider electronic communications to be either private or secure. E-mail may be stored indefinitely on any number of computers, including that of the recipient. Copies of your messages may be forwarded to others either electronically or on paper. In addition, e-mail sent to nonexistent or incorrect usernames may be delivered to persons whom you never intended.

Monitoring of computer usage. JCS has the right, but not the duty, to monitor any and all aspects of its Computer Resources, including but not limited to, monitoring sites visited by users on the internet, monitoring chat groups and newsgroups, reviewing material downloaded or uploaded by users to the internet and reviewing e-mail sent and received by users.

Blocking of inappropriate content. JCS may use software to identify inappropriate or sexually explicit internet sites. Such sites may be blocked from access by JCS networks. In the event you, nonetheless, encounter inappropriate or sexually explicit material while browsing on the internet, immediately disconnect from the site, regardless of whether the site was subject to JCS blocking software.

Illegal copying. Users may not illegally copy material protected under copyright law or make that material available to others for copying. You are responsible for complying with copyright law and applicable licenses that may apply to software, files, graphics, documents, messages and other material you wish to download or copy.

Accessing the internet. To ensure security and avoid the spread of viruses, employees accessing the internet through a computer attached to JCS's network must do so through an approved internet firewall. Accessing the internet directly, by modem or hotspot is prohibited.

Sensitive, Secured and Proprietary Information Policy

Jasper City Schools values our students' and parents' privacy and seek to preserve the privacy of those who share information with us. JCS also must comply with federal, state, local and Board laws, regulations, and policies. A few of those mandates include, but are not limited to, Family Educational Rights and Privacy Act (FERPA), Health Insurance Portability and Accountability Act (HIPPA), Gramm-Leach-Bailey Act (GLBA), Children's Online Privacy Protection Act (COPPA), and numerous others.

1. Administrators, staff, and teachers shall take the necessary steps to protect student information and to prevent unauthorized access to this information.
2. All Computer Resources must be password protected.
3. Student or other sensitive information should never be downloaded to personal or non-JCS devices and cloud services. This includes but is not limited to smartphones, tablets, computers, websites, and storage devices (external drives).
4. All users must use extreme caution when opening email received from unknown senders, which may contain spam, virus, and Trojan horse code.
5. Never provide student information to a website or organization that is not legally acting as an agent of JCS and if a non-disclosure agreement (NDA) is not in place.
6. Any data breach must be reported to the Technology Coordinator immediately.

Right to Publish

Nothing in this practice/procedure shall be construed as affecting the rights of a creator to publish, except that the creator must agree to observe a brief period of delay in publication or external dissemination if the District so requests and such a delay is necessary to permit the District to secure protections for intellectual property disclosed to it by the creator.

Use of Teaching Materials

In order to facilitate joint work on teaching materials and support collaborative teaching, and notwithstanding the ownership rights otherwise granted by this practice/procedure, individuals who contribute teaching materials used in jointly developed and taught District courses thereby grant a

nonexclusive, nontransferable license to the District to permit other contributors to the course to continue using those jointly produced teaching materials in District courses.

Distribution of Income

If the District receives income from intellectual property disclosed to and licenses or otherwise transferred by the District, it may be appropriate to share some portion of the net income with the creator in the form of a bonus or other temporary salary supplement. USE OF SCHOOL VEHICLES AND/OR EQUIPMENT

Board vehicles and/or equipment may not be used for personal business.

The assignment of system-owned vehicles and/or equipment to supervisory personnel is strictly for the purpose of expediting the delivery of services by board employees and should not be construed by employees as a fringe benefit.

1. Jasper City Board of Education vehicles are provided for the following purposes:

- a. Transporting materials, tools or equipment used by employees in their daily job assignment.
- b. Transporting employees whose job assignments require extensive travel within the system.

2. Driver Qualifications

- a. Driver must hold a valid license for the operation of the type of vehicle to be driven.
- b. Driver's experience record shall not prevent his/her insurability with the system's insurance carrier.

3. Each driver must exert every reasonable effort to assure that his/her assigned vehicle is maintained in a safe operating condition. The driver shall perform a visual daily inspection to detect need for any obvious necessary adjustments or repairs. This inspection should include, but not necessarily be limited to, tires, glass, lights, horn, windshield wipers, brakes, exhaust system, etc. Any defects noted should be reported to the employee's supervisor for corrective action.

- a. Render such assistance as warranted to any injured person(s)
- b. Report the accident to appropriate law enforcement authorities, dependent upon the geographic location.

1. Leave the accident scene until authorized to do so by the investigating police.

8. The personal use of system vehicles is strictly prohibited. The misuse of system vehicles or gasoline credit cards could result in the criminal prosecution of the offending individual(s).
9. Vehicle must use system services for normal and routine fueling purposes while operating in the system area. The responsibility for fueling a vehicle and maintaining the proper crankcase lubricating oil level is placed on the assigned driver.
10. The vehicle should be securely locked at all times in the absence of the assigned driver.
11. All vehicles must be stored overnight in system facilities unless otherwise authorized for potential emergencies which might arise during non-use hours as approved by the superintendent or his designee. Personnel who may be required to return to duty on an emergency basis, using personal transportation for the event, shall be reimbursed at the established rate per mile. The employee shall keep a log to document such travel.
12. All procedural statements concerning vehicles shall apply as applicable to equipment.
13. All system owned vehicles will be marked with the system emblem and vehicle identification number. Exception to the rule must be made in writing by the superintendent.

STATE OF ALABAMA ETHICS LAW

All JCS personnel are public employees and are required to comply with the Alabama Ethics Law prohibiting use of the employee's official position or office to obtain personal gain for himself or herself or family member unless the use or gain is otherwise specifically authorized by law. Employees may accept gifts of a de minimis (minimal) value. De minimis value is defined as a value of twenty-five dollars (\$25) or less per occasion, and an aggregate of fifty dollars (\$50) or less in a calendar year from a single provider. Some employees will be required to annually file a Statement of Economic Interests with the Alabama Ethics Commission. Those employees will be notified of the requirement, and will be responsible for fulfilling the filing requirement. The Ethics Law may be seen in its entirety at www.ethics.alabama.com. Violation of the JCS Board Policy regarding compliance with Alabama Ethics Law requirements may result in appropriate discipline, including termination.

PAYROLL INFORMATION & PROCEDURES

All employees will be compensated for work performed according to either their contract or terms of employment. The Fair Labor Standards Act (FLSA) requires overtime pay at time and a half for all eligible employees who work over forty hours (40) in any one workweek. The workweek begins on Sunday and ends on Saturday. Only actual hours worked applies when determining if 40 hours for the work week have been exceeded before overtime pay is due. If there is a holiday, sick, or vacation day during the week, then that period of time does not apply to the 40-hour requirement.

Employees cannot make up missed time from one work week to another work week. This means that if the employee works 36 hours during one week and 44 hours during the second week, it does not average out to 40 hours a week and therefore no overtime is due. Each workweek stands as a separate period of time and the employee is due 4 hours overtime for the second week.

An employee is determined to be either Exempt from the overtime provisions of the FLSA, or they are Non-Exempt from those same provisions.

If an employee is Exempt, this simply means that he/she is not eligible for overtime pay or compensatory time. If an employee is Non-Exempt, this simply means that he/she is due overtime pay for hours worked over 40 in any one workweek. Also, any full-time employee, Exempt or Non-Exempt, who makes less than \$35,568 a year, is due overtime compensation at time and a half for any hours worked over forty (40) during any one workweek. If you have a question about whether you are an Exempt or Non-Exempt employee, contact the Payroll department.

Work days do not necessarily start the moment you arrive onto campus, your work site, or in your department. If you arrive early to eat breakfast or talk to other employees, then that time is not work time and does not start your work day. Your work day starts when you begin your work routine or are available for work and waiting on orders from your supervisor.

Also, your work day does not necessarily end when you leave the work site; it may end before you leave the premises. Your work day ends when you stop your work process for the day. Any time spent talking to other employees about non-work related issues or taking care of personal business is not counted as work time and is not to be included as a part of your work week.

Work as a volunteer after hours is generally not compensated, unless it is performing the same duties for which you are paid. This normally occurs when the employee volunteers to work at the school as a parent. The volunteer work generally should be in a capacity other than what the employee is paid to do. If the employee volunteers to work doing essentially the same duties that they are paid to do during the day, then that work time will be compensated.

An exception may be volunteer work that is for an organization separate from the school system and paid for out of that organization's funds and not paid through the employee's payroll

account. If there are any questions, please call the Payroll department to clarify what volunteer activity will and will not be compensated.

The mission of the Finance Department is to secure financial resources necessary to achieve the goals of Jasper City Schools and use the best management information practices to ensure fiscal responsibility. The payroll section of this handbook will seek to answer questions employees may have concerning paychecks, health benefits, insurance and other financially related matters.

When do I get my first Paycheck?

- **Nine and Ten month employees**
– *September 29**
- **Eleven month employees**
– *August 31**
- **Twelve month employees**
– *July 27**

Payroll cutoff is the last day of the previous calendar month. If an employee is hired late in the contract year their annual amount will be calculated on the number of days actually worked the remainder of the contract year.

*Checks are issued on the last business day of the calendar month.

Below is an example of take home pay based on mandatory deductions. Actual deductions may vary depending on the employee’s individual needs.

Some examples of non-mandatory deductions could include health insurance, disability insurance, dental insurance, savings accounts, deferred compensation plans and flexible spending accounts.

Employee and Employer Taxes Paid- Employees hired prior to January 1, 2013 are considered Tier 1 employees for the employer contribution rate for retirement purposes. Any employee hired on or after January 1, 2013 is considered a Tier 2 employee for the employer contribution rate for retirement purposes.

Tier 1 Employees have 7.50% of their gross pay withheld for their retirement account at the Teachers' Retirement System in Montgomery. The board pays 12.59% to the retirement system on behalf of each employee. Tier 2 employees have 6.20% of their gross pay withheld for their retirement account at the Teachers' Retirement System in Montgomery. The board pays 11.44% to the retirement system on behalf of each employee. These rates are in effect beginning October 1, 2022.

For every dollar that an employee pays in Social Security and Medicare tax the Board is required to match that amount on the employee's behalf. State unemployment insurance is also paid by the Board for the employee.

New Employees

If not enrolled within 30 days, the employee will only be allowed to enroll in single hospital medical coverage effective the date of enrollment not the date of employment.

New employees may add family coverage on their date of employment or within 60 days of employment. Also, new employees employed during the Open Enrollment period cannot enroll in the optional plans on their date of employment and cancel the plans October 1 of that same year.

Employees Hired After October 1

These employees may enroll only on their date of employment or the first day of the month following their date of employment. New employees who enrolled in the optional plans outside of the Open Enrollment period are required to retain the coverage(s) for at least one year or until the next Open Enrollment period.

Current Employees

Open Enrollment for all current employees takes place from July 1 through September 10 for coverage to be effective October 1. Employees may add or change types of coverage, including dependent coverage, during this Open Enrollment period. Open Enrollment forms completed on or after August 31st will not be accepted by PEEHIP.

THE WELLNESS PROGRAM

The PEEHIP Wellness program is designed to encourage members and their covered spouses to take charge of their health starting with a basic wellness screening.

- Help members and their families achieve or maintain good health,
- Promote the early detection and identification of chronic disease,
- Change behavior that lowers the risk of chronic disease and illnesses, and
- Enhance wellness and productivity.

This program and its free services are designed to help PEEHIP members live happier, healthier and more satisfying lives. Healthier members typically get sick less often and visit the doctor less frequently. This leads to lower healthcare costs for members and the plan, which means being able to keep the same healthcare benefits coverage in place for a longer period of time.

Who is required to participate in the PEEHIP Wellness Program?

The following members must be enrolled in the PEEHIP Hospital Medical Plan to participate

- **Active members**
- **Non-Medicare retiree1**
- **Covered Spouses**

All of the above must complete due applicable wellness components by the specified deadlines in order to avoid a monthly wellness premium. The wellness premium is currently \$50/month for each covered individual.

Participation for Medicare-eligible retirees and covered Medicare eligible spouses is optional and not required.

Wellness Components

The Wellness Program consists of some new programs and a greater access to existing ones to help the members manage their health and become more educated in the life style choices they have.

The following is required to be completed in order to qualify for the wellness premium discount:

- Wellness Screening
- Health Risk Assessment Questionnaire (HRA)

Required only if you are identified as a candidate for these programs:

- Disease Management
- Wellness and Lifestyle Education Coaching

Wellness Screenings will begin in Fall 2022, dates still undetermined.

The Wellness Screenings consist of the following measurements:

- Blood pressure
- Total cholesterol including HDL and LDL
- Triglycerides
- Blood glucose
- Height, weight, waist
- Body mass index

The ADPH provides the screenings at the worksite locations for active employees only. Alternatively, active employees as well as non-Medicare retirees and covered spouses can obtain the screenings at any of the statewide ADPH county locations or through your personal healthcare provider.

ADPH has a PEEHIP Wellness Calendar and Wellness County Contacts on their website (www.adph.org/worksitewellness) that will inform you when newly-scheduled screenings will take place in your area.

If you decide to use your personal healthcare provider to do your screening, the HEALTHCARE PROVIDER SCREENING FORM is located on the PEEHIP website at www.rsa-al.gov/index.php/members/peehip/pubs-forms/. The form must be completed and faxed or mailed to ADPH by your healthcare provider. Under the Affordable Care Act (ACA) as part of the federal healthcare reform laws, no copay is required for one annual preventive routine office visit obtained through your in-network healthcare provider.

Also, no copay is required if an ADPH wellness coach gives you an OFFICE VISIT REFERRAL FORM to take with you to a physician's office to follow up with the abnormal results or risk factors identified during the screening process. The referral is only good for 60 days from the screening date.

The Health Risk Assessment (HRA), which is now available, is a health questionnaire used to provide you with an evaluation of your health risks and quality of life and gives individualized feedback to motivate behavior change to reduce health risks. If the HRA identifies an opportunity for improving your health, **Wellness and Lifestyle Education Coaching** will be

available to you. The coaching process will offer numerous resources and services to help you maintain or improve upon a healthy lifestyle.

PEEHIP's **Disease Management Program** focuses on five chronic illnesses and the reduction of future complications associated with these diseases: asthma, diabetes, coronary artery disease, congestive heart failure and chronic obstructive pulmonary disease (COPD). The program is a system of coordinated healthcare interventions and communications in which patient self-care efforts are significant. Applicable members are required to participate beginning January 1, 2015, if identified as a candidate.

FEDERAL HEALTH CARE REFORM

Adult Children – PEEHIP is required to offer and extend dependent hospital medical coverage (at the member's option) to adult children up to age 26 only if the child is not eligible for other employer sponsored group coverage.

Pre-existing Conditions- PEEHIP is prohibited from imposing a waiting period for enrollees under age 19 who have pre-existing conditions.

Lifetime Dollar Limits – PEEHIP is prohibited from having lifetime dollar limits on essential health benefits covered under major medical.

Life Insurance: Life insurance is provided to employees by the Board based on level of employment. Coverage starts of the first day of employment. The Board of Education pays the premium for this coverage. Additional insurance can be purchased for yourself or dependents.

TEACHER RETIREMENT SYSTEM

TIER 1 EMPLOYEES

All full-time employees are eligible, and required, to participate in the State Retirement Program. For employees hired prior to January 1, 2013, seven and a half percent of the employee's salary is deducted each month for retirement and all contributions belong to the employee.

Ten years of creditable service are required for an employee to become "vested" or eligible for benefits. Persons terminating their employment with less than 10 years of service may choose to withdraw their retirement funds.

A person hired prior to January 1, 2013 may retire after 25 years of service or at the age of 60 (if vested) and may use accumulated sick leave in determining the amount of creditable service. Retirement benefits will be calculated on the annual salary of the highest 3 of the last 10 years of service.

TIER 2 EMPLOYEES

Employees hired January 1, 2013, or later, will pay six percent to the retirement system and their retirement benefits will be calculated at a lower percentage than current employees. Benefits will be calculated on the annual salary of the highest 3 of the last 5 years of service.

The retirement age requirement for employees hired January 1, 2013, or later will be 62 (if vested) or 30 years of service. An employee may use accumulated sick leave in determining the amount of creditable service.

TRS DEATH BENEFITS

Death benefits are also provided through the Teacher Retirement Program and depend on years of service and age. For example, persons under 60 years of age with from 1 to 25 years of service will receive death benefits consisting of their total retirement contributions and total earned interest plus an amount equal to the previous year's salary.

DEFERRED COMPENSATION PLANS

403B - Under this plan, employees may contribute as much as \$20,500 (2022) of pre-tax income to an annuity each year. The contribution is automatically deducted from their paychecks.

By investing money in this way before taxes are paid, employees can reduce their current income tax burden. It is permissible to transfer accumulated funds, with no dollar limit, to other qualified IRA annuity plans.

Once such an investment is made, the interest or dividends earned are only taxed as funds are withdrawn. Since the withdrawals are usually made after retirement when the participant is likely to be in a lower tax bracket, less tax is paid and funds accumulate faster.

FLEXIBLE SPENDING PLAN

A flexible spending plan is a way to provide employees valuable benefits and tax savings. Benefits under an eligible plan may include reimbursement of dependent care expenses and medical expenses such as co-payments and deductibles.

Also, most importantly, you always pay insurance premiums with pre-tax dollars. All full-time employees are eligible to participate in this plan which gives them the opportunity to recognize additional monthly income through pre-tax savings.

■ OPEN ENROLLMENT

- The open enrollment deadline for the Flexible Spending Accounts is September 30th, for an effective date of October 1st.
- Plan deductions start on the October payroll check. Deductions end with the September payroll check of the following year.

All deductions are processed over 12 months.

The Flexible Spending Account is administered through PEEHIP that is offered through BC/BS of Alabama. Below is the website address:

<http://www.rsa.state.al.us/PEEHIP/flex.htm>

Reimbursement of over-the-counter drugs from the Health Care FSA will be prohibited due to the Federal Reform Act unless you have a doctor's prescription for the drug.

PEEHIP offers a Preferred Flexible Spending Card as well as the auto bump and manual reimbursement.

ALABAMA EDUCATOR CODE OF ETHICS

Introduction

The primary goal of every educator in the state of Alabama must, at all times, be to provide an environment in which all students can learn. In order to accomplish that goal, educators must value the worth and dignity of every person, must have a devotion to excellence in all matters, must actively support the pursuit of knowledge, and must fully participate in the nurturance of a democratic citizenry. To do so requires an adherence to a high ethical standard.

The Alabama Educator Code of Ethics defines the professional behavior of educators in Alabama and serves as a guide to ethical conduct. The code protects the health, safety and general welfare of students and educators; outlines objective standards of conduct for professional educators; and clearly defines actions of an unethical nature for which disciplinary sanctions are justified.

Code of Ethics Standards

Standard 1: Professional Conduct

An educator should demonstrate conduct that follows generally recognized professional standards.

Ethical conduct includes, but is not limited to, the following:

- Encouraging and supporting colleagues in the development and maintenance of high standards.
- Respecting fellow educators and participating in the development of a professional and supportive teaching environment.
- Engaging in a variety of individual and collaborative learning experiences essential to developing professionally in order to promote student learning.

Unethical conduct is any conduct that impairs the certificate holder's ability to function in his or her employment position or a pattern of behavior that is detrimental to the health, welfare, discipline, or morals of students. Unethical conduct includes, but is not limited to, the following:

- Harassment of colleagues.
- Misuse or mismanagement of tests or test materials.
- Inappropriate language on school grounds.
- Physical altercations.
- Failure to provide appropriate supervision of students.

Standard 2: Trustworthiness

An educator should exemplify honesty and integrity in the course of professional practice.

Ethical conduct includes, but is not limited to, the following:

- Properly representing facts concerning an educational matter in direct or indirect public expression.
- Advocating for fair and equitable opportunities for all children.
- Embodying for students the characteristics of intellectual honesty, diplomacy, tact, and fairness.

Unethical conduct includes, but is not limited to, the following:

- Falsifying, misrepresenting, omitting, or erroneously reporting professional qualifications, criminal record, or employment history when applying for employment or certification.
- Falsifying, misrepresenting, omitting, or erroneously reporting information submitted to federal, state, and/or other governmental agencies.
- Falsifying, misrepresenting, omitting, or erroneously reporting information regarding the evaluation of students and/or personnel.
